
Privacy Policy for ReadSpeaker Android Apps v1.3, 9 January 2023

Privacy Policy for ReadSpeaker Android Apps

Last update: January 2023

This privacy policy applies to all Android apps (“apps”) developed by ReadSpeaker® Holding B.V. (“ReadSpeaker”). It discloses what personal information is collected in the apps, how the personal information is collected, and the purpose of collecting the personal information.

Any personal information collected is handled exclusively by ReadSpeaker.

Personal information

We define “personal information” as anything that can be used to identify an individual. This includes (but is not limited to) first and last name, address, telephone number, date of birth, and email addresses.

The ReadSpeaker apps do not collect any personal information. No personal information is transmitted from the apps to ReadSpeaker or to any other party over the Internet. Furthermore, the apps are completely offline and are not controlled by any remote computer.

The apps are capable of producing logs that can contain personal information. Logs are disabled by default but can be enabled upon request from a customer or a user.

Personal information may be built into the apps or stored by ReadSpeaker. The motivation behind can be to

- fulfill functional requirements set by a customer or a user and/or
- discourage customers and users from redistributing the apps in ways not stipulated in the agreement with ReadSpeaker.

Rights

Regarding the personal information that is built into the apps or stored by ReadSpeaker, a customer or user:

- has the right to inspect it,
- may request that it be corrected,
- may request that it be removed provided they immediately stop using the apps.

Changes to this Privacy Policy

ReadSpeaker reserves the right to make changes to the Privacy Policy. Your continued use of the apps means you accept the latest update of the Privacy Policy. The date of the latest update will be shown at the top of the online version of the Privacy Policy, which can be referenced [here](https://docs.readspeaker.com/assets/android_apps/pp/) on https://docs.readspeaker.com/assets/android_apps/pp/.
